CHAMBER

MEMBER GUIDE

ABOUT US

Since 1936, the Wagga Wagga Business Chamber has supported the local business community through advocacy, education, networking and events.

We are a not-for-profit organisation with a volunteer board who are not only passionate about business but about our local community.

We pride ourselves on being an inclusive, innovative and collaborative community.

From the minute you join, you will have access to a network of business people representing all areas of Wagga Wagga's diverse economy as well as advice, learning resources and other member-only benefits.

Feel free to reach out at any time to discuss membership and how it might benefit your business.

Member Benefits

REGULAR NETWORKING AND EVENTS

We run monthly events that provide networking opportunities, education and information. Head to our website to check out the latest events.

www.waggachamber.com.au/events

A great way to start the day, our business breakfasts consist of a short 20-30 minute presentation followed by a short networking opportunity over breakfast. Events run from 7.00am – 8.30am.

Business After Hours is an event hosted by a local business. They provide a short presentation or speech on their business followed by networking with canapés and drinks provided. Events run 5.30pm – 7.30pm.

Drop In Drinks is our monthly networking event and everyone is invited. Whether you're in business, interested in business or just want to meet other like-minded people, this event is for you.

Our Golden Crow Awards are the local business community's night of nights, celebrating the achievements of businesses and business leaders across a range of award categories.

We pop up at various cafes in our CBD on the second Thursday of the month and provide the opportunity for some great business conversation while enjoying your morning caffeine hit.

ADVOCACY

Our regular contact with business means we are aware of the issues that businesses face. With access to all levels of government and key stakeholders, we are able to draw attention to these issues and proactively engage and work with relevant stakeholders to take action.

Our advocacy also promotes Wagga as the preferred place to do business, promoting all the benefits our region has to offer. Our ability to get results means we are a strong voice in the business community.

PROVIDING INFORMATION, EDUCATION AND RESOURCES

We develop and provide resources and educational opportunities that are relevant and useful for businesses. Not only will you receive our monthly newsletter but our members are the first to receive information on upcoming events and projects through our member-only communications.

Whether you're looking for information on local projects, advice on who to contact or business recommendations, we're only a phone call away!

WAGGA WAGGA GIFT CARD

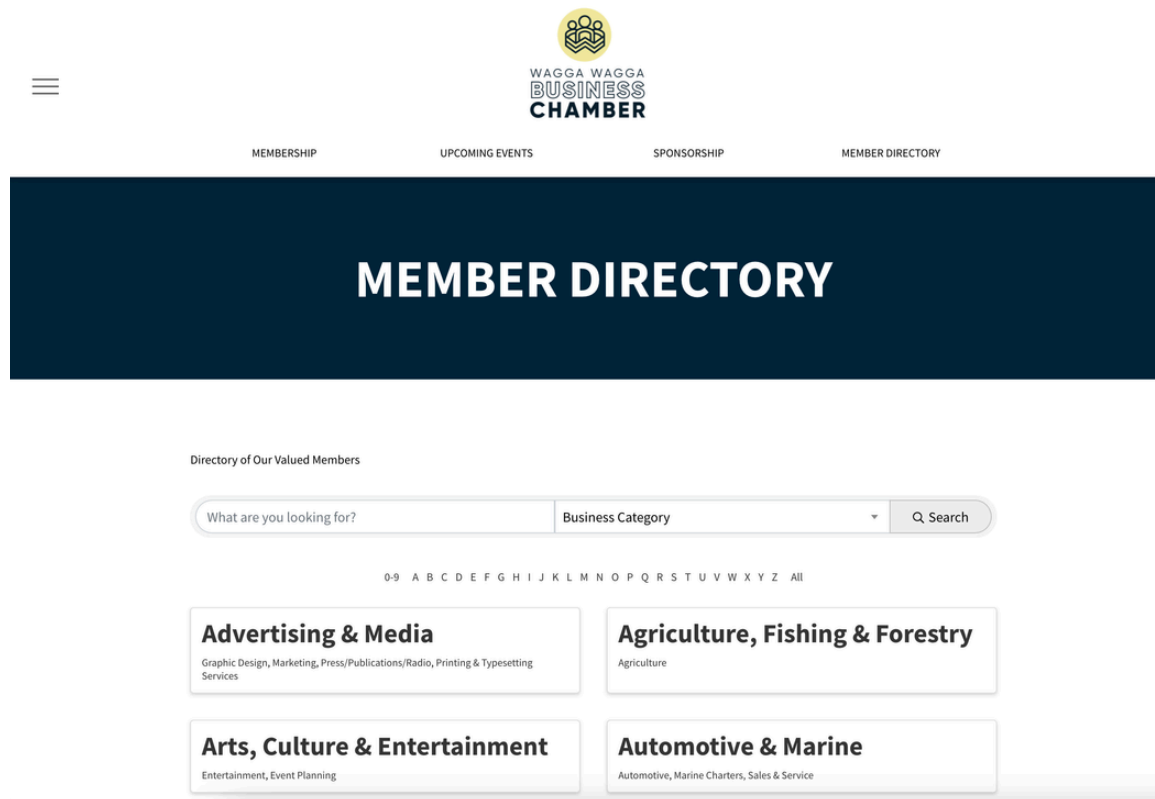

Locally owned businesses can participate in our Wagga Wagga Gift Card program for FREE as part of their Chamber membership. The program costs \$220 annually for non-members and encourages spending with local businesses.

PROMOTING YOUR BUSINESS

As a Chamber member, your business will be featured in our 'Meet Our Members' social media series, introducing you to fellow members and the wider community.

You will also be provided a listing on our online member directory.

Looking to promote your business further? Ask us about hosting your own event or promoting a member-to-member offer.

We encourage all members of the Chamber to catch up with our Business Manager upon joining. The more we know about your business, the more we can promote you and provide relevant information to you.
